

Emulate3D

User Group Meeting

Date: 22nd & 23rd February 2027
Day 1: 12.00 bis 17.00
Day 2: 08.00 bis 15.00
Location: Hotel Infinity, Munich
Cost: EUR 375 net
incl. meals and beverages, excl. accomodation

Join us for the 10th Emulate3D User Group Meeting!

If you work with Emulate3D, you have certainly discovered some exciting use cases already. Have you ever wondered how other users approach these challenges? If you feel you have not yet unlocked the full potential of the software and want to expand your knowledge, register today.

Join us for the 10th Emulate3D User Group Meeting!!

For the tenth time, the Emulate3D community comes together for two days of shared learning in Munich. Meet members of the Emulate3D team in person, connect with other users and discuss real project experience. Get a look at what is new in Emulate3D and gain insight into practical implementations from other companies. The first day closes with a joint dinner at Hirschalm, a relaxed setting to continue the conversations from the day.

Highlights der Agenda:

- Success stories from practice
- What's new in Emulate3D 2027
- Dinner event at Hirschalm
