Emulate3D User Group Meeting
Layout3D, Demo3D, Sim3D, Emulate3D

Exchange of experience - New functions - Roadmap - Training

We would like to invite you to the SimPlan Emulate3D user meeting 2019 in Fulda. The event addresses all users of Layout3D, Demo3D, Sim3D and Emulate3D.

On the first day, users will present exciting projects and report on their experiences. In addition, the manufacturer gives an overview of the latest developments in the software and gives an outlook into the future. As always we will end the day with a Rodizio.
On the second day, the manufacturer presents the most important innovations in detail in individual training blocks.

We are looking forward to seeing you!
